

THE ANSWERING MACHINE SYMPOSIUM

Teaming Up with Generative AI: From Tool Use to Partnership

25-26 MARCH 2026

DEUTSCHES HYGIENE-MUSEUM, DRESDEN

THINKING ACROSS DISCIPLINES

KEYNOTES & DISCUSSIONS

Exchange with experts from Theatre, Media Studies, Computational Linguistics, Psychology and beyond on how generative AI can enhance rather than diminish human capabilities.

EXPLORING IDEAS THROUGH INTERACTION

POSTERS & PLAYGROUND

Engage in discussion and hands-on interaction to explore how generative AI influences education, healthcare and other areas of society and to reflect on its opportunities and challenges.

CO-CREATING WITH AI ON STAGE

THEATER PERFORMANCES

Experience up to four artistic collaborations between humans and generative AI live on stage and get a glimpse of what co-creating with AI can look like.

CALL FOR CONTRIBUTIONS: 01.11.25 – 07.01.26

REGISTRATION: 15.12.25 – 15.02.26
